Opening Prayer: Unison (reader) - based on Genesis 1

God, in you all things have their creation. There is light and there is dark. And it is good. There is water and there is land. And it is good. There are plants and there are trees. And it is good. There is sun, and there are moon and stars. And it is good. There are birds, fish, and all manner of creatures. And it is good. There are people in all their diversity. And it is good. May we see and celebrate all that is good in your creation. Amen.

Prayer of Confession: Unison (reader) - based on Genesis 1, John 1

God, we do not always see the good in creation. We do not always do what we can to protect and nurture your creation. We do not always accept the diversity that you place in our paths. Open our hearts, minds, and spirits to the leading of your Holy Spirit. Guide our actions and even our thoughts to

accept and nurture the great gifts you have placed around us and within us. Amen.

Assurance of Pardon: (Pastor)

In Genesis we hear that God saw everything that he had made, and indeed, it was very good. In John we hear that all came into being through the Word that was with God, and was God. You are very good. Accept it, and accept the assurance of God's presence in all the world.
